## TO WHOM SO EVER IT MAY CONCERN

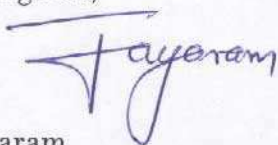

This is to certify that Mr Pujan Ziaie, a student of Technical University of Munich (TUM) has interned for a period of 10 weeks from 01<sup>st</sup> Oct 2008 to 12 Dec 2008 with Project Management Centre of Excellence (PMCOE) at the Education & Research unit of Infosys Technologies Ltd., Bangalore, India as part of InStep, Infosys' Global Internship Program.

As part of his project, Pujan performed extensive research in the area of Project Management, understanding experiential knowledge usage in software projects at Infosys and analyzed the data to suggest possible solutions for enhanced experiential knowledge usage practices. He researched and analyzed data related to actual projects undertaken by Infosys over a period of time. He developed overview knowledge of the current best practices in experiential knowledge usage at Infosys

Pujan Ziaie's internship project work has been assessed as "Good "

We wish Pujan Ziaie the very best in all his future endeavors.

Warm Regards,

BG 

B G Jayaram  
Associate Vice President and Head, PMCOE  
Infosys Technologies Ltd.
